

### Caritas Salford News

We are delighted to have already received sponsorship of 5 of the 20 rooms at Caritas Morning Star Hostel in Manchester, following its reopening last month and our appeal for help. Single homeless men, who would otherwise be housed in poor quality, unsupported temporary accommodation, will benefit from having their own upgraded and homely room in a supported project as a result. We would like to invite people to choose to do the same – either for the Hostel - or for one of our Young Parents' Supported Accommodation settings in Bolton and Blackburn. This would allow us to upgrade every room for each new young mum or dad who comes to stay with us with their infant child.

To get involved, individuals or groups would raise £1,500 per room. In return, we will include a name (or dedication) on a list of sponsors in our entrance hall. *To hear about the difference your funding will make, we would be delighted to come and give a talk in your church, school or community group.*

To sponsor a room at Morning Star Hostel, enabling 6-12 homeless people each year to move off the streets, please use this link: <https://app.donorfy.com/form/NBJHFKD0EO/SEID7> or, your group might wish to sponsor a room at one of our Young Parents' Supported Accommodations in Blackburn and Bolton, enabling us to provide safe, comfortable accommodation and stability for young mothers (or fathers) and their infant children, at a time when they are exposed to increased risks or multiple vulnerabilities, preparing them for independent living and providing a better start to life for their children. Regular giving is the financial bedrock of the Cathedral. It also minimises risk and costs the Cathedral parish less to manage, so your money goes further. Standing orders are also an easy option for regular giving – and you will no longer need to worry about having the right cash on a weekly basis. If you have online banking you can set this up online, or you can pick up the Gift aid declaration and standing order forms at the back of the Cathedral or from the Parish office.

## Quarant'ore at the Cathedral

This week we hosted Quarant'ore at our cathedral. The Blessed Sacrament was exposed throughout the week, and clergy and parishioners were present at every hour in reflection and adoration.

Fr Ignatius explained what Quarant'ore means to him: *"I am familiar with adoration programmes, but Quarant'ore is a novelty. That notwithstanding, Quarant'ore is an opportunity to commune with God. It offers a period of reflection where I pause and take stock of my relationship with God, his mission for me and how I'm living out my vocation. It is opportunity to move away from the busy schedule and be with the Lord."*

Quarant'ore is an ancient act of devotion, wherein the Blessed Sacrament is exposed, and continuous prayer is carried out before it for forty hours. Our Quarant'ore mission was spearheaded by our assistant priests, Frs. Ignatius, Churchill, and Basil, with the intention of bringing us closer together as a parish through collective prayer, meditation and reflection. After a long period of restrictions preventing such gatherings, the opportunity to sit with each other in silence and devotion was particularly powerful.

## Night Fever

**Friday 24th June 7.30pm-10.00pm**

Throughout the Evening there will be Mass, Adoration and an opportunity for Reconciliation.

Our volunteers are outside, in pairs, simply just inviting passers by to come in and light a candle. The response to the invitation varies, but a surprising amount of people come in and their breath is taken away by the beauty. Many are struck by the beauty and ask to stay. Some wish to talk, some just remain in silence.
